Join Ygrene's Network of Independent Contractors

Increase your project pipeline.
Boost your bottom line.

With your help we can change the world—one energy efficient improvement at a time. That's why we invest time and resources into building a high quality, customer-focused network of Ygrene Contractors. We provide the training, tools and resources you need to deliver a cost-effective energy and water efficiency financing option to property owners.

Visit ygrene.com to register today.

Contractor Training

Our training will help you feel confident about representing Ygrene to residential and commercial property owners.

- **In person, individual training** We'll assign you a regional account manager for one-to-one training on our web portal, proposal tool, sales and more.
- **Webinars** We'll provide program feature updates, software tutorials and spend time answering your questions.
- **Ongoing support** We'll stay in regular contact and provide the mentoring and support you need to succeed.

Fast Decisions

We can help you get your project started quickly and easily with an application decision over the phone in 30 minutes or less.

Close Larger Jobs

Our 100% financing and longer terms help you scope and scale up projects so your customers can maximize their energy efficiency and savings.

Timely Payment

We pay you direct and on time with fast funding—every 48 hours.

Become part of the Ygrene network of independent contractors to build your business.

Contractor Benefits

A competitive alternative to traditional, credit-based financing, Ygrene supports contractors' clean energy business growth.

WIN MORE PROJECTS	
No minimum FICO score required	Eligibility is based primarily on available equity and ability to pay.
Advantages Over Credit-Based Financing	Ygrene has unique benefits over traditional financing options: <ul style="list-style-type: none"> ■ Up to 30 year terms = low effective monthly payments ■ No payment due for up to 12 or more months¹ ■ 100% financing and no money down ■ Payments may transfer with property upon sale or refinance²
Increase Average Project Size	Ygrene's 100% financing helps contractors close sales of higher efficiency units and increase scope of energy efficiency and water conservation projects, such as: more windows per job, window coverings, solar, insulation and air sealing. The availability of 100% financing allows property owners to grow their project size to include improvements that may have been previously unaffordable.
FASTER, EASIER APPROVALS	
Fast Approvals	Whether you're applying online or sitting onsite with a property owner, we can provide an underwriting decision and finance documents in 30 minutes or less.
Funding Every 48 Hours	With funding issued every 48 hours, contractors get paid fast (upon homeowner approval after project completion).
Dedicated Regional Account Manager	Every contractor is assigned to a dedicated Regional Account Manager who responds quickly to questions and is available to go on property owner ride alongs.
Call Center Open 7 Days/Week 866.634.1358	A Ygrene customer care representative is available to answer contractor and property owner calls every day of the week. M-F 8am - 9:30 PST Sat 9am - 5pm Sun 10am - 4pm
MORE QUALIFIED LEADS	
Comarketing Program	Comarketing opportunities allow contractors to promote their Ygrene Contractor status, reduce marketing costs and increase sales.
GET PAID	
Direct Payment	We allow final payments to be made directly to contractors (with property owner approval), creating a more efficient and streamlined process for everyone.

While PACE programs are enabled by state legislation and must be approved by your local government, Ygrene is not a government program.

Ygrene PACE Financing is offered in California by Ygrene Energy Fund California LLC (Program Administrator License #60DBO-91942) and through Authorized PACE Solicitors only.

¹Subject to underwriting guidelines and approvals; deferral of first payment depends on date of funding; interest accrues during entire deferred payment period. ²Property Assessed Clean Energy (PACE) payments are incorporated into and repaid as part of customers' property taxes which are legally transferable upon sale; however, some mortgage lenders may require full repayment of the special tax upon sale or refinance.
