

ReCoverCA Homebuyer Assistance Program  
2018 Fire Recovery Allocation

**Social Media Post1**  
**For Lenders and Real Estate Professionals**

*Graphic*

The graphic features a central image of a young green plant growing from a pile of dark soil. The background is a blurred image of a house. At the top, a red banner contains the text "ReCoverCA Homebuyer Assistance". Below this, the text "Up to \$350,000" is displayed in large, bold, green and yellow font. A yellow callout box with black text reads: "Available to qualifying households that were living in High Fire Zones during the 2018 CA wildfires". Another yellow callout box with black text reads: "Let us help you purchase a home in an area with lower fire risk". At the bottom, three circular icons are arranged horizontally, connected by green arrows pointing from left to right. The first icon shows a "Fire Danger" scale with four levels: Extreme (red), High (orange), Moderate (yellow), and Low (green). The second icon shows a small wooden house model sitting on a stack of US dollar bills. The third icon shows a smiling woman in a dark jacket holding up a set of keys.

**\*\*ReCoverCA Homebuyer Assistance up to \$350,000 Available!\*\***

If you lived in a high or very high fire hazard zone during the 2018 wildfires in California, you may qualify for up to \$350,000 in assistance to buy a home. Best of all, the assistance is forgiven after five years.

The ReCoverCA Homebuyer Assistance (HBA) Program — helping you purchase a home that's affordable and in areas safer from flood or wildfire risks.

- Up to \$350,000 to help you buy a home
- Assistance forgiven after 5 years
- Perfect credit not required to qualify
