ReCoverCA Homebuyer Assistance — up to \$350,000

Were you living in high fire risk areas during the 2018 California wildfires? The 2018 Fire Recovery Homebuyer Assistance Program can help you buy a home in an area with lower fire risk.

Eligible buyers may receive up to \$350,000 in assistance, which is fully forgiven after 5 years. You don't need perfect credit to qualify, and you may be eligible even if you didn't lose your home—just lived in one of these qualifying areas:

- Butte County
- Lake County
- Los Angeles County
- Shasta County
