Your Path to Homeownership Starts Here

The GSFA Platinum Program offers eligible borrowers up to 5% of the first mortgage loan amount in Down Payment and Closing Cost Assistance (DPA).

We want to help you **achieve the dream** of owning your own home.

You don't have to be a first-time homebuyer to qualify.

The assistance can be applied toward the down payment and/or closing costs when purchasing or refinancing a primary residence in California.

In many cases, it allows homebuyers to purchase a home with little-to-no money out of pocket—often much sooner than they ever imagined.

"Select" Feature — Special Benefits for Public Safety and Education Occupations

For individuals working in select public safety and education roles—known as "Select" occupations—the program offers **homebuyer assistance as a combination of a low-interest Second Loan and a Gift**. The Second Loan is repaid over 15 years at a low interest rate, and the **Gift portion never needs to be repaid**.*

"Select" qualifying occupations include:

- Peace Officers, Sheriff, Border Patrol Agents, Correctional Officers and others serving in a Law Enforcement capacity **including administration positions.**
- Firefighters, paramedic, and Emergency Medical Technicians, **including administrative staff that supports firefighters.**
- Current members of the California State Teachers Retirement System (CalSTRS) or University of California Retirement Plan (UCRP).
- Employees of a California accredited Private, Charter or Public School District or California State University, Junior College or Private College, **including school administration and staff.**
- Medical and Healthcare Workers.

For "Select" occupation borrowers — The Gift portion of assistance never needs to be repaid.
